Animal Origin (TSE/BSE) – Product Declaration

Date: April 20, 2026

Cole-Parmer Catalog Number: 06200-25

Item Description: Cole-Parmer Plastic Graduated Cylinder, Translucent PP, 100 mL; 10/PK

Cole-Parmer certifies that, according to the manufacturer, the product described meets the specifications set forth in this Certificate:

The manufacturer and their raw material suppliers:

Do not directly add any animal derived ingredients into the raw materials. The product does not come in contact with any animal derived material during the manufacturing process, which includes processing, handling, and packaging.

Incorporate animal derived ingredients into one or more of the raw materials and/or the product may come in contact with animal derived material during the manufacturing process, which includes processing, handling, and/or packaging.

Have not confirmed whether animal derived ingredients are present in the raw materials. The presence or absence of animal derived material during the manufacturing process, including processing, handling, and packaging, is unknown at this time.

This certification applies only to the condition of the above-described product in its unopened package. Cole-Parmer cannot and does not assume any responsibility for the failure of the product to meet this document that results from any handling or use subsequent to opening the package.

Cole-Parmer relies upon the information provided by the manufacturer of this product(s), and Cole-Parmer does not assume any responsibility for inaccuracies in the manufacturer's statements.

Cole-Parmer expressly warrants that the product listed above conforms only to the specifications herein, subject to the disclaimers listed above. Except as otherwise set forth in writing by Cole-Parmer, there are no other warranties, express or implied, that apply to this certificate or the subject product(s).
