Animal Origin (TSE/BSE) – Product Declaration

Date: March 11, 2026

Cole-Parmer Catalog Number: 42719-40

Item Description: IDEX Coupler, PEEK, Male/Male-1/2"

Cole-Parmer certifies that, according to the manufacturer, the product described meets the specifications set forth in this Certificate:

The manufacturer and their raw material suppliers:

At this time, IDEX Health and Science (Oak Harbor location), standard/catalog fluidic connection products are not monitored or certified for materials of animal origin and are considered low risk. These standard/catalog components have the following documents available: REACH and/or RoHS certificates and Product Specification Sheets that include a general material specification.

This certification applies only to the condition of the above-described product in its unopened package. Cole-Parmer cannot and does not assume any responsibility for the failure of the product to meet this document that results from any handling or use subsequent to opening the package.

Cole-Parmer relies upon the information provided by the manufacturer of this product(s), and Cole-Parmer does not assume any responsibility for inaccuracies in the manufacturer's statements.

Cole-Parmer expressly warrants that the product listed above conforms only to the specifications herein, subject to the disclaimers listed above. Except as otherwise set forth in writing by Cole-Parmer, there are no other warranties, express or implied, that apply to this certificate or the subject product(s).
