

Animal Origin Statement

Date: 12/27/2011

Catalog #(s): 06508-18

Cole-Parmer certifies that, according to the manufacturer, the product described meets the specifications set forth in this Certificate:

There is a process lubricating oil that contains components produced from bovine tallow. The processing conditions used to produce the tallow-derived intermediate exceed the European Union recommendations stated in the 22nd Commission Directive 98/16/EC of 5 March 1998, as annexed to council Directive 76/768/EEC, Regulation (EC) No. 1774/2002 and Directive 2000/6/EC and endorsed by the scientific Steering Committee (SSC) of the European Commission, of hydrolysis of 200 degrees C under an appropriate corresponding pressure for 20 minutes. The component supplier certifies that the animal origin is within the United States, Canada, and Mexico and its products are Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE) free.

- The manufacturer also states that this product is in compliance with the requirements of EMEA/410/01, revision 2, dated October 2003.” The animal material actually contained does not fall into any of the categories listed in the document..

This certification applies only to the condition of the above-described product in its unopened package. Cole-Parmer cannot and does not assume any responsibility for the failure of the product to meet this document that results from any handling or use subsequent to opening the package.

Cole-Parmer relies upon the information provided by the manufacturer of this product(s), and Cole-Parmer does not assume any responsibility for inaccuracies in the manufacturer's statements.

Cole-Parmer expressly warrants that the product listed above conforms only to the specifications herein, subject to the disclaimers listed above. Except as otherwise set forth in writing by Cole-Parmer, there are no other warranties, express or implied, that apply to this certificate or the subject product(s).
