Micro One®

Microflex® Powdered Latex Gloves

Don't struggle to put on

- Lightly powdered with cornstarch to put on easily
- Beaded cuffs for added protection
- Ambidextrous

Enjoy comfortable wear, durable protection, a secure grip, and tactile sensitivity. These lightly powdered gloves with absorbent cornstarch (USP) are easy to put on. Cuffs are beaded for added protection. Disposable—for single use only. Ambidextrous.

Color Touch® Latex Gloves are color coded by size: small (pink), medium (green), and large (blue). A light peppermint scent is a refreshing change from ordinary latex gloves. Natural latex ensures superior comfort and resilience. Textured for excellent grip—wet or dry.

PowerGrip® Latex Gloves are textured to offer excellent dexterity and tactile sensitivity. Natural latex ensures superior comfort and resilience.

Micro One® Latex Gloves provide the sensitivity needed for delicate work. They are made of smooth, untextured natural latex for superior comfort and resilience.
