Pipette Holders

Convenient storage and retrieval of pipettes

Pasteur Pipette Box Holder. Angled shelf provides easy access to pipettes. Features a bulb storage area with safety lip. Holds one box of 150 mm or 230 mm pipettes.

Pipette Holder. Twin compartments hold bags, boxes, canisters, or individually-wrapped serological pipettes. Divider can be removed for one large compartment. Order two model 63535-15 brackets separately (below) to mount under shelf.

Angled Pipette Holder. Serological pipettes will not slide out of angled compartments. Fits into limited work areas and under biological or safety hoods. Will hold pipette packages such as bags, boxes, canisters, or individually-wrapped pipettes.

Description	Outer dimensions (W x H x D)	Catalog number	Price
