

# The Smarter Way to Store Your Tubing

When it comes to fluid handling, organization matters as much as performance. The new Cole-Parmer® Tubing Display keeps your most-used tubing visible, accessible, and ready to cut to size. Built for busy labs and production spaces, this sturdy, easy-to-use display is designed to help you streamline storage, reduce waste, and keep your team moving efficiently.

## Cole-Parmer® Tubing Display Specifications

**Item Number:** 08004-93

**Dimensions (Assembled):** Approx. 58"(H) × 26"(W) × 24"(D)

**Weight (Empty):** Approx. 22 to 26 lb

**Approx. Max Tubing Length per Spool:** 75 to 125 ft  
(varies by tubing OD and wall thickness)

**Material:** Powder-coated cold-rolled steel (CRS) with a digitally printed expanded PVC header

**Tube Cutter Attachment (Magnet):** Included in accessory pouch. Freely attaches anywhere on the display to hold the tube cutter.

**Note:** Keep away from credit cards, watches, and jewelry to avoid interference.

**Ruler:** Located on the side of the display. Easily measure your desired length of tubing and then use the supplied tube cutter.

Order your tubing display today.

## Free Tubing Display With Purchase

Receive a free tubing display with your tubing products purchase of \$10,000 or more. Take advantage of this limited-time offer while supplies last.
