

# Cole-Parmer® Certificate of Analysis

essentials

Cole-Parmer certifies that this product has been manufactured under controlled conditions and in compliance with all procedures and specifications.

---

Item#: 06052-60

Expiration Date: Unconfirmed Validity

Product Description: NM Wash bottle, 500ml

---

## Raw Material:

**Bottle Body & Bottle Cap: Perfluoroethylene Propylene(FEP), 100% first-hand high-purity and top-grade materials.**

- Medical grade in accordance with USP class VI.
- FDA 21 CFR Compliance.
- Heavy Metals Free.
- BPA and Phthalate Free.
- BSE/TSE Compliance.

## Manufacturer:

- Products are corrosion resistance to strong acid and alkali, organic solvents, etc.
- Products temperature resistance: -200 to 205C°.
- Products are compliance with laboratory background value PPB level.
- Products are manufactured, inspected and found to be compliance with product and quality specification requirements as documented in the ISO 9001:2015.
- Inspection records are reviewed and signed for product release.
- Visual Inspection and Leaking Test for representative production samples are passed.

**RoHS:** Restriction of Hazardous Substance is Electric and Electronic Equipment (RoHS) : Based on the available documentation from raw materials suppliers, this product complies with the requirements of the directives 2011/65/EU, as amended, and 2015/863/EU concerning the limits of Lead (Pb), Mercury (Hg), Hexavalent Chromium (Cr6+), Polybrominated biphenyl(s) (PBB), polybrominated diphenyl ether(s) (PBDE), Bis(2-ethylhexyl) phthalate (DEHP) , Butyl benzyl phthalate (BBP) , Dibutyl phthalate (DBP), Isobutyl phthalate (DIBP) , cadmium (Cd).

**Poly- and Perfluoroalkyl Statement:** This product is free from Poly-and Perfluoroalkyl substance (PFAS) such as Perfluorooctanoic acid (PFOA) and Perfluorooctane sulfonate(PFOS). Raw materials do not contain these substances, and none are intentionally added in manufacturing.

**Proposition 65:** This product does not contain the substances regulated by California Proposition 65 in concentrations resulting in exposures above the safe harbor levels determined by OEHHA. As such, this product does not require a California Proposition 65 warning label.
