

## REACH 250 – Product Declaration

December 9, 2025

Cole-Parmer Catalog Number: **12020-49**

Item Description: **Cole-Parmer VapLock™ Port Plug, Polypropylene, 3/8" NPT(M); 10/PK**

On January 21, 2025, the European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) entered into force. This Regulation establishes specific duties and obligations for companies in the European Union (EU) that manufacture and import substances on their own, in preparations, or in articles.

Roughly every 6 months the European Chemicals Agency (ECHA) will update the REACH Candidate List. In each update, a number of new Substances of Very High Concern (SVHCs) will be added. Hence, the total number of SVHCs on the Candidate List increases on a regular basis, currently set at 250 as of June 25, 2025.

<https://echa.europa.eu/candidate-list-table>

Article 33 of REACH requires supply chain participants to communicate the presence of Substances of Very High Concern (SVHC) over 0.1% by weight in their products. SVHC are identified on the Candidate List by the European Chemicals Agency (ECHA).

Based on information from our supplier the following product listed above complies to:

- We declare to the best of our knowledge that our products and packaging material do not contain any SVHCs as of June 25, 2025, REACH 250 directives.
- We declare that the articles above are supplied to Cole-Parmer and contain the SVHC listed at or as of June 25, 2025, REACH 250 directive Candidate List.

Name of SVHC present	CAS # of SVHC	Product/Packaging containing SVHC	SVHC Concentration % (w/w)

Cole-Parmer cannot and does not assume, and expressly disclaims, any responsibility or liability for any failure of the product to meet this REACH Product Declaration. The user shall determine the suitability of the product for its intended use, and the user assumes all risks and liability for subsequent use.
